A Cleanliness Drive in Our Locality

Last Sunday, a cleanliness drive was organised in our locality and the sight was truly inspiring. Early in the morning, students and volunteers gathered at the park wearing gloves and masks. They swept the lanes, picked up plastic bags and wrappers, and collected the garbage in big bins, which a municipal truck carried away. Children held placards and shouted slogans like “Clean India, Green India”. Passers-by stopped to watch and many of them joined in. Some shopkeepers promised to keep their surroundings tidy. By noon, the whole street shone like new. The drive made everyone aware that cleanliness is a shared responsibility and not just the duty of sweepers.
